WHAT TO DO NEXT

- ✓ Need to replace the **Tuesday 10% discount** with a bundle or upsell offer, and test it.
- ✓ Promote **Garden Veggie and Medium sizes.** They earn more per sale.
- ✓ Review **Double Smash Large pricing.** It costs $5.10 and sells at $11.50. About **$12.75** would give a 60% margin.
- ✓ Collect **walk-in customer details** (sign-up, app, digital receipt).
- ✓ Plan staff and stock for **Fri–Sun** and the lunch and dinner rush. Try **family bundles**.

HERE IMPORTANT

- Sales = money collected after discounts. Discounts given: $594 (1.3%).
- Profit = sales minus burger cost ($17,747). Rent, wages and other expenses are not included.
- Profit margin = profit ÷ sales.
- The dashboard card “Total Transactions = 4,162” counts order lines. Real orders = 2,944. So average profit per order is $14.88.
